## LIFE QUESTIONS

WHAT MOVIE DO YOU WISH YOUR LIFE WAS LIKE?

Forrest Gump - It's my all-time favorite movie and I wish that I got to experience every major event in the later part of the 20th century. Forrest is always humble, kind and looking out for his loved ones.

WHAT THREE LIFE EVENTS HAVE IMPACTED WHO YOU ARE TODAY THE MOST?

1. Being a dad has changed my perspective on the world.
2. Being a husband.
3. Teaching/Coaching has shaped my ability to publicly speak and motivate while always being ready to think on my feet.

WHAT IS YOUR MOST USEFUL SKILL?

Teaching! Being able to engage individuals in academics that may not be the most interesting is a very useful skill.

WHAT IS THE BEST PART OF YOUR DAY?

Getting my daughter, Blakely, out of bed in the morning.

WHAT DO YOU LOVE MOST ABOUT CHEYENNE?

The community! You can go to any store and see a friendly face that will stop and ask you how you are doing and truly care about the response. The support I feel in Cheyenne is what makes it home.

WHAT DO YOU LOVE TO DO IN YOUR FREE TIME?

Golf! I love to golf. It is my favorite pastime.

HAVE YOU HAD AN UNUSUAL EXPERIENCE THAT WAS ALSO PRETTY FUN?

Yes, being a coach for the East High Football Team during the 2020 season in which we won the State Championship during a global pandemic.
